

INTL FCStone Inc. to Host Second Annual Global Markets Outlook Conference

January 17, 2019

Event to be held on March 3-5, 2019 in Orlando, Florida

NEW YORK, Jan. 17, 2019 /PRNewswire/ -- INTL FCStone Inc. (NASDAQ: INTL) (the "Company") today announced that it will host its second annual Global Markets Outlook conference on March 3-5, 2019 at the Rosen Shingle Creek hotel in Orlando, Florida. Now in its second year, INTL FCStone's Global Markets Outlook is the most comprehensive financial and commodities market outlook conference of the year.

At the conference, over 385 attendees will have the opportunity to interact with professionals from across nearly all global financial and commodity markets, including producers, consumers and intermediaries from across the entire commodity complex, as well as financial institutions, lending and depository institutions, and wealth management professionals that are active in the global commodity markets.

Sean O'Connor, CEO of INTL FCStone Inc., commented, "We are very excited to host the Global Markets Outlook conference for the second year in a row, as this is the only conference that combines multiple industry-leading economic and commodity outlooks. Last year, attendees were provided with an unprecedented presentation of expertise across a multitude of markets. This year's Global Markets Outlook builds upon that foundation, offering individual outlooks on hard and soft commodities, currencies, global payments trends and more, while providing the macroeconomic and geopolitical insights required to create a cohesive market approach for 2019 and beyond."

The full agenda is available [here](#). Highlights include panels on "Global Dairy Market Outlook," "Exploring Our New Trading Relationship with China," and "Savings Glut to a Savings Squeeze: Why Rates Will Go Much Higher for a Lot Longer." The thought-provoking discussions and presentations will tap INTL FCStone executives to discuss the future of global markets. Additional session topics include:

- Global Economic Outlook
- Weather Outlook
- FX and Interest Rates
- Global Payments
- Base and Precious Metals
- Cotton
- Agriculture, including Dairy, Grains
- Oilseeds, Meats and Livestock
- Latin America, China, EU, Argentina and Brazil Updates
- Nitrogen
- Coffee, Sugar and Cocoa
- Renewable Fuels
- Refined Product and Crude Oil
- Natural Gas and Electricity
- Palm Oil
- OTC Hedging
- Global Securities

O'Connor concluded, "Whether you are interested in corn or currencies, coffee or crude oil, milk or metals, our objective is to not only provide attendees with a compressive understanding of global markets, but also empower them with the resources to succeed in the current market conditions."

Registration for the Global Markets Outlook is now open. To register for the conference, please click [here](#). Sponsorship opportunities are available
