

## The Benchmark Company Announces Digital Assets Summit in New York City

May 14, 2026

NEW YORK, May 14, 2026 (GLOBE NEWSWIRE) -- The Benchmark Company, a subsidiary of StoneX Group Inc. ("StoneX"; NASDAQ: SNEX), is pleased to announce its Digital Assets Summit in New York City on Thursday, May 27, 2026. This exclusive in-person event will connect dynamic public and private companies from the digital assets and crypto sector with Benchmark and StoneX's network of institutional investors.

The program will feature expert-led panel discussions touching on numerous topics, including Real-World Asset Tokenization, Stablecoin Payments, Crypto Trading Infrastructure, Digital Lending, Crypto Asset Management and more. The event will also include pre-scheduled one-on-one meetings, providing investors with the opportunity to engage directly with senior management teams offering strategic perspectives on the sector.

"We're thrilled to host our upcoming Digital Assets Summit and bring together a curated group of leading digital asset companies and institutional investors in a highly engaging setting," said Benchmark President Richard Messina. "We're especially excited to be partnering with the StoneX Digital Assets and EDG teams for this event and we look forward to delivering a differentiated program that offers meaningful access, timely insight, and thoughtful dialogue across the evolving digital assets landscape," Messina added.
