INTL FCStone Inc. Reports Fiscal 2013 First Quarter Financial Results

Adjusted Operating Revenues of \$116.5 Million, up 25%

NEW YORK, Feb. 6, 2013 (GLOBE NEWSWIRE) -- INTL FCStone Inc. (the 'Company') (Nasdaq:INTL) today announced its financial results for its fiscal first quarter ending December 31, 2012. Certain financial metrics discussed in this press release are non-GAAP, reflecting marked-to-market differences in the Company's Commodity & Risk Management Services and Other segments. A reconciliation of those metrics to GAAP equivalents is provided in the table below, and further discussion of the use of non-GAAP metrics will be provided in the Company's Form 10-Q to be filed with the Securities and Exchange Commission ("SEC").

Sean O'Connor, CEO of INTL FCStone Inc., stated, "We were pleased to see year over year revenue growth, along with continued cost containment driving the bottom line, which also benefited from some non-recurring revenue items, most notably the sale of our LME shares."

INTL FCStone Inc. Summary Financials

Consolidated financial statements for the Company will be included in the Company's quarterly report on Form 10-Q to be filed with the SEC. The Form 10-Q will also be made available on the Company's website at www.intlfcstone.com.
