10:00 a.m. Central Daylight Time

TO THE STOCKHOLDERS OF STONEX GROUP INC.

A special meeting of the stockholders of StoneX Group Inc., a Delaware corporation (the "Company" or "StoneX Group"), will be held on Thursday, August 10, 2023, at 10:00 a.m. Central Daylight Time, at the Company's offices at 1251 NW Briarcliff Parkway, Suite 800, Kansas City, Missouri, for the following purposes:

1. To approve an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock of the Company;
2. To consider an advisory vote on the frequency of the advisory vote on executive compensation; and
3. To transact such other business as may properly come before the meeting.

The board of directors of the Company (the "Board of Directors" or "Board") has fixed the close of business on June 20, 2023 as the record date for the determination of stockholders entitled to notice of and to vote at the special meeting (the "Record Date").

Pursuant to the rules of the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we will mail, beginning on or about June 30, 2023, a Notice of Internet Availability of Proxy Materials to our stockholders of record and beneficial owners as of the record date. As of the date of mailing of the Notice of Internet Availability of Proxy Materials, all stockholders and beneficial owners will have the ability to access all of the proxy materials on a website referenced in the Notice of Internet Availability of Proxy Materials.

The Notice of Internet Availability of Proxy Materials also contains a toll-free telephone number, an e-mail address, and a website where stockholders can request a paper or e-mail copy of the Proxy Statement and a form of proxy relating to the Special Meeting. These materials are available free of charge. The Notice of Internet Availability of Proxy Materials also contains information on how to access and vote the form of proxy.

Even if you plan to attend the special meeting, we request that you vote by one of the methods described in the proxy notification and thus ensure that your shares will be represented at the special meeting if you are unable to attend.

If you fail to vote, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting. If you do attend the special meeting and wish to vote in person, you may withdraw your proxy and vote in person.

PROXY STATEMENT

Special Meeting of Stockholders

GENERAL

The proxy is solicited on behalf of the Board of Directors (the "Board of Directors" or "Board") of StoneX Group Inc., a Delaware corporation (the "Company" or "StoneX Group"), for use at the special meeting of stockholders to be held on Thursday, August 10, 2023, at 10:00 a.m. (Central Daylight Time), or at any adjournment or postponement of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Special Meeting. The special meeting will be held at the Company's offices at 1251 NW Briarcliff Parkway, Suite 800, Kansas City, Missouri. The Company intends to mail its Notice of Internet Availability of Proxy Materials (the "Notice") and provide access to a website as referenced within the Notice on or about June 30, 2023 to all stockholders entitled to vote at the special meeting.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

When and where will the special meeting take place?

The special meeting will be held on August 10, 2023 at 10:00 a.m. (Central Daylight Time), at the Company offices at 1251 NW Briarcliff Parkway, Suite 800, Kansas City, Missouri.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of the proxy materials?

The "Notice and Access" rules of the Securities and Exchange Commission (the "SEC") permit us to furnish proxy materials, including this Proxy Statement, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will receive the Notice and will not receive printed copies of the proxy materials unless they request them. The Notice will be mailed beginning on or about June 30, 2023. The Notice includes instructions on how you may access and review all of our proxy materials via the Internet. The Notice also includes instructions on how you may vote your shares. If you would like to receive a paper or e-mail copy of our proxy materials, you should follow the instructions in the notice for requesting such materials. Any request to receive proxy materials by mail or e-mail will remain in effect until you revoke it.

Can I vote my shares by filling out and returning the Notice?

No. The Notice identifies the items to be voted on at the Special Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote by Internet or how to request a paper proxy card.

Why did I receive this Proxy Statement?

You received this Proxy Statement because you held shares of the Company's common stock on June 20, 2023 (the "Record Date") and are entitled to vote at the special meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

What am I voting on?

You are being asked to vote on two items:

1. An amendment to the Company's restated certificate of incorporation (as amended, the "Certificate of Incorporation") to increase the number of authorized shares of common stock of the Company (see page 8); and
2. An advisory vote on the frequency of the advisory vote on executive compensation (see page 9).

How do I vote?

Stockholders of Record

If you are a stockholder of record, there are four ways to vote:

- By toll free telephone at **1-800-652-8683**;
- By internet at www.envisionreports.com/SNEX;
- If you request printed copies of the proxy materials, you may vote by proxy by completing and returning your proxy card in the postage-paid envelope provided by the Company; or
- By voting at the meeting.

Street Name Holders

Shares which are held in a brokerage account in the name of the broker are said to be held in "street name."

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you requested printed copies of the proxy materials, you may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your notice from your broker for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you request printed copies of the proxy materials, complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What is the deadline for voting via Internet or telephone?

Internet and telephone voting is available through 11:59 p.m. (Eastern Daylight Time) on August 9, 2023 (the day before the special meeting).

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote in the following manner:

1. FOR the amendment to the Certificate of Incorporation to increase the number of authorized shares of common stock of the Company; and
2. FOR the approval of a frequency of every ONE YEAR for future non-binding stockholder advisory votes on executive compensation.

Unless you give contrary instructions in your proxy, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the stockholders for a vote at the special meeting. If any other matter is properly brought before the meeting, your proxy would authorize the Chairman and the Chief Executive Officer of the Company to vote on such matters in their discretion.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the special meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the special meeting, or any postponement or adjournment of the meeting.

How many votes do I have?

You will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all stockholders?

The Company had 20,749,313 outstanding shares of common stock on the Record Date. Each of these shares is entitled to one vote. There is no cumulative voting.

How many votes must be present to hold the meeting?

The holders of a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy to fulfill the quorum requirement necessary to hold the meeting. This means at least 10,374,657 shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy under which such broker cannot vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote on non-routine matters in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve each proposal?

For the amendment of the Certificate of Incorporation (Proposal No. 1), the affirmative vote of the holders of a majority of the outstanding shares entitled to vote will be required for approval. Abstentions will have the effect of a vote against the proposal.

For the advisory vote on the frequency of the advisory votes on executive compensation (Proposal No. 2), the frequency will be determined by a plurality of the votes cast. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation. Banks, brokers, and other nominees that do not receive voting instructions from beneficial owners may not vote on this Proposal No. 2, resulting in a "broker non-vote". Abstentions and broker non-votes will have no effect.

Can I change my vote?

Yes. If you are a stockholder of record, you may change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy. Second, you can submit new proxy instructions either on a new proxy card, by telephone or via the Internet. Third, you can attend the meeting, and vote at that time. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

Who may attend the special meeting?

Any person who was a stockholder of the Company on June 20, 2023 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of our stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the proxy card but do not indicate how to vote on an issue?

If you return a signed proxy card without indicating your vote, your shares will be voted as follows:

- FOR the amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock of the Company; and
- FOR the approval of a frequency of every ONE YEAR for future non-binding stockholder advisory votes on executive compensation.

What is "householding" of proxy materials?

In some cases, stockholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions received only one copy of the Notice of Internet Availability. This practice is designed to reduce duplicate mailings and save printing and postage costs. If you would like to have a separate copy of our annual report and/or proxy statement mailed to you or to receive separate copies of future mailings, please contact the Corporate Secretary at 1251 NW Briarcliff Parkway, Suite 800, Kansas City, Missouri 64116, (515) 223-3797. Such additional copies will be delivered promptly upon receipt of such request.

In other cases, stockholders receiving multiple copies at the same address may wish to receive only one. If you now receive more than one copy, and would like to receive only one copy, please submit your request to the address or phone number listed above.

Who can help answer my questions?

If you are a StoneX Group Inc. stockholder, and would like additional copies, without charge, of this Proxy Statement or if you have questions about the special meeting, including the procedures for voting your shares, you should contact:

PROPOSAL 1 - AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Overview

The Certificate of Incorporation currently authorizes the issuance of thirty-one million (31,000,000) shares of capital stock, consisting of 30,000,000 shares of common stock, par value \$.01 per share, and 1,000,000 shares preferred stock, par value \$.01 per share.

The Board of Directors has unanimously approved, subject to stockholder approval, a proposed certificate of amendment to the Certificate of Incorporation (the "Proposed Amendment") to increase the number of authorized shares of common stock of the Company from thirty million (30,000,000) shares to two hundred million (200,000,000) shares. The Board has declared the Proposed Amendment to be advisable and recommended that this proposal be presented to the Company's stockholders for approval.

If the stockholders approve this Proposal No. 1, the Company expects to file the Proposed Amendment with the Secretary of State of the State of Delaware to increase the number of authorized shares of common stock of the Company. Upon filing the Proposed Amendment, the number of authorized shares of the Company will be increased from thirty million (30,000,000) shares of common stock to two hundred million (200,000,000) shares of common stock. The Proposed Amendment will not change the total number of authorized shares of preferred stock of the Company. The full text of the Proposed Amendment is set forth in Appendix A to this Proxy Statement.

Reasons for the Proposed Amendment

Our Certificate of Incorporation currently authorizes us to issue up to thirty-one million (31,000,000) shares of capital stock, consisting of 30,000,000 shares of common stock and 1,000,000 shares of preferred stock. As of the Record Date, we had a total of approximately 20,749,313 shares of common stock outstanding, and approximately 1,714,681 additional shares of common stock reserved for issuance pursuant to our 2022 Omnibus Incentive Compensation Plan, 2013 Stock Option Plan and our 2017 restricted stock plan (collectively, "our equity plans"). As a result, on the Record Date, we had approximately 7,536,006 shares of common stock available for future issuance in excess of the outstanding common stock, our future obligations to issue common stock, and other shares of common stock that we had reserved under our equity plans.

The Board of Directors believes that it is important to have available for issuance a number of authorized shares of common stock that will be adequate to provide for future stock issuances to meet future corporate needs. If the Proposed Amendment is approved by the stockholders and filed with the Secretary of State of the State of Delaware and becomes effective, the shares of common stock authorized by the Certificate of Incorporation (as amended by the Proposed Amendment) will be available for issuance at such times and for such corporate purposes as the Board of Directors (or an authorized committee thereof) may deem advisable, including, without limitation, potential acquisitions, strategic partnerships, equity financings, equity incentives to employees, payments of future stock dividends, stock splits and other form of recapitalizations, in each case without further stockholder approval (except as may be required by applicable law or the rules of any stock exchange or stock market on which the common stock may be listed or traded).

In addition, in light of the recent historical trading price of the Company's common stock, the Board of Directors has contemplated whether a stock split of the Company's common stock in the form of a stock dividend may be appropriate. The trading price of our common stock has risen significantly over the past several years, reflecting consistently strong performance of the Company. The price of one share of our common stock on May 1, 2018 was \$45.20 and the closing market price of one share of our common stock on June 20, 2023 was \$89.40 as reported on the Nasdaq Stock Market. We believe this considerable price appreciation may be affecting the liquidity of our common stock, making it more difficult to efficiently trade and less affordable to certain classes of investors and, therefore, potentially less attractive to certain investors. The Board

believes that declaring and paying a stock dividend may support liquidity in the trading of our common stock and make the common stock more attractive to a broader range of investors.

In the event such a stock dividend is declared and paid, we would also make appropriate adjustments to our equity plan and outstanding equity-based awards. As a result, the stock dividend would increase the number of shares of common stock issued and outstanding and the number of shares of common stock authorized for issuance under our equity plans. However, without an increase in our authorized shares, there would likely not be enough authorized shares of common stock to effect a meaningful split of our common stock. The decision by the Board of Directors whether to approve a stock split in the form of a stock dividend will depend upon various factors including, but not limited to, the then-current trading price of the Company's common stock, our financial condition including shareholders' equity and results of operations, capital requirements, domestic and international market conditions, and general economic conditions, and any other factors deemed relevant by our Board. Even if the Proposed Amendment is approved by stockholders at the special meeting, the Board of Directors may, in its discretion, determine to not approve a stock split of the common stock.

Certain Risks Associated with the Proposed Amendment

Future issuances of shares of common stock could have a dilutive effect on the earnings per share, voting power and percentage stockholdings of current stockholders. In addition, the availability of additional shares of common stock for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of the Company. We do not believe, however, that the Proposed Amendment would have an anti-takeover effect, and we have not proposed the increase in the authorized number of shares of common stock with the intention of using the additional shares for anti-takeover purposes.

Effectiveness of the Proposed Amendment

If the Proposed Amendment is adopted, it will become effective upon the filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware, which the Company expects to file promptly after the special meeting. If the Proposed Amendment is not approved by the Company's stockholders, the number of authorized shares of common stock will remain unchanged.

Required Vote

For the amendment of the Company's Certificate of Incorporation, the affirmative vote of the holders of a majority of the outstanding shares entitled to vote will be required for approval. Abstentions will have the effect of a vote against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK OF STONEX GROUP INC.

PROPOSAL 2 - ADVISORY VOTE ON FREQUENCY OF STOCKHOLDER VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, we are asking stockholders to vote on whether future advisory votes on executive compensation should occur every one, two or three years. Stockholders shall also have the option to abstain from voting on the matter. In 2017, stockholders recommended that advisory votes on executive compensation be held on an annual basis. As a result, the Board of Directors adopted a policy providing for annual stockholder advisory votes to approve the Company's executive compensation, and we have submitted such proposals to our stockholders at each Annual Meeting since 2017.

Pursuant to Section 14A of the Exchange Act, the stockholder vote on the frequency of the advisory vote on executive compensation is an advisory vote only, and it is not binding on the Company or the Board of Directors.

Although the vote is non-binding, the Compensation Committee and the Board value the opinions of stockholders and will consider the outcome of the vote when determining the frequency of the stockholder vote on executive compensation.

The Board of Directors has determined that an advisory stockholder vote on executive compensation every one year is the best approach for the Company and its stockholders for following reasons:

- A one-year cycle provides investors with a regular opportunity to evaluate the effectiveness of the Company's incentive programs, compensation strategies and the total Company performance; and
- A one-year cycle provides the Board of Directors and the Compensation Committee with a regular opportunity to evaluate and respond to stockholder input and effectively implement any desired changes to the Company's executive compensation program.

If no voting specification of abstention is made on a properly returned or voted proxy card, Sean M. O'Connor or John Radziwill (proxies named on the proxy card) will vote FOR ONE YEAR for the frequency of the advisory vote on executive compensation described in this Proposal No. 2.

This non-binding advisory vote must be submitted to stockholders at least once every six years and we expect that our next say on pay frequency vote will occur at our 2029 Annual Meeting of Stockholders.

Required Vote

For the advisory vote on the frequency of the advisory votes on executive compensation, the frequency will be determined by a plurality of the votes cast. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation. Banks, brokers, and other nominees that do not receive voting instructions from beneficial owners may not vote on this Proposal No. 2, resulting in a "broker non-vote." Abstentions and broker non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR ONE YEAR" ON PROPOSAL NO. 2 REGARDING THE FREQUENCY OF THE STOCKHOLDER VOTE ON EXECUTIVE COMPENSATION. NOTE: STOCKHOLDERS ARE NOT VOTING TO APPROVE OR DISAPPROVE THE BOARD OF DIRECTORS' RECOMMENDATION REGARDING THIS PROPOSAL NO. 2.

OTHER MATTERS

The Board of Directors does not know of any other matters that will be presented for consideration at the special meeting. If any other matters are properly brought before the special meeting, the persons appointed as proxies will vote on such matters in accordance with their best judgment.
