Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

In accordance with Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), Article 10 of the Registrant's Restated Certificate of Incorporation contains a provision eliminating a director's personal liability to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. Section 102(b)(7) of the DGCL prohibits the elimination or limitation of a director's liability (1) for any breach of the director's duty of loyalty to the

Registrant or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or knowing violations of law, (3) under Section 174 of the DGCL (relating to unlawful dividend payments or stock redemptions or repurchases), or (4) for any transaction from which the director derived an improper personal benefit.

Section 145(a) of the DGCL (1) gives Delaware corporations broad powers to indemnify their present and former directors and officers and those of other enterprises, as well as certain other persons, against expenses, judgments, fines and settlement amounts incurred by such directors, officers or other persons in defense of any action, suit or proceeding to which they are made parties by reason of being or having been a director, officer, employee or agent of the corporation, or of another enterprise at the request of the corporation, subject to specified conditions and exclusions, provided that such director or officer acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceedings, provided that such director or officer had no reasonable cause to believe that his or her conduct was unlawful.

Section 145(b) of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another enterprise, against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit; provided that such director or officer acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Notwithstanding the preceding sentence, except as otherwise provided in the by-laws, we shall be required to indemnify any such person in connection with a proceeding (or part thereof) commenced by such person only if the commencement of such proceeding (or part thereof) by any such person was authorized by the board.

Section 145(c) of the DGCL provides that to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in the defense of any claim, issue or matter therein, the corporation shall indemnify such person against all expenses (including attorneys' fees) actually and reasonable incurred by such person in connection therewith.

Section 145(g) of the DGCL authorizes the corporation to purchase and maintain directors' and officers' liability insurance. The indemnification authorized by Section 145 of the DGCL is not exclusive of any other rights to which those indemnified may be entitled under any bylaws, agreement, vote of shareholders or disinterested directors, policy of insurance or otherwise.

Article VII of the Registrant's Bylaws dated August, 2007 (the "Bylaws") requires the Registrant to indemnify any person (1) against all judgments, fines, amounts paid in settlement and expenses actually and reasonably incurred by such person in connection with any action, suit or proceeding (other than an action by or in the right of the Registrant) or (2) against any expenses actually and reasonably incurred by such person in an action by or in the right of the Registrant, in either case, by reason of the fact that such person is or was serving as a director or officer of the Registrant or as a director or officer of another enterprise at the Registrant's request; provided that such person must have acted in good faith and in a manner such person reasonably believed to be in or not opposed to the Registrant's best interests and, with respect to any criminal action or proceeding, that such person must have had no reasonable cause to believe such person's conduct was unlawful. Article VII further provides that the Registrant shall not indemnify any person for any liabilities or expenses incurred by such person in connection with an action, suit or proceeding by or in the right of the Registrant in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Registrant, unless and only to the extent that the Delaware Court of Chancery determines that the person is entitled to such indemnity. Prior to indemnifying a person pursuant to Article VII of the Registrant's Bylaws, the Registrant must determine that such person has met the specified standard of conduct required for indemnification unless ordered by a court. Such determination must be made by (x) a majority vote of a quorum of the directors who were not party to the action, suit or proceeding (y) by independent legal counsel in a written opinion if so directed by a quorum of disinterested directors or if such a quorum is not obtainable, or (z) the shareholders. Expenses incurred in connection with the indemnification provisions of Article VII shall be paid by the Registrant in advance of the final disposition of any action, suit or proceeding upon receipt of an undertaking, by or on behalf of the person who may be entitled to indemnification under Article VII to repay such amounts unless it shall be ultimately determined that he is entitled to be indemnified by the Registrant. The indemnification provided by Article VII of the Registrant's Bylaws is not exclusive of any other rights to which those seeking indemnification may be entitled under the DGCL.

The Registrant has obtained directors' and officers' liability insurance for each of its directors and executive officers which (subject to certain limits and deductibles) (1) insures such persons against loss arising from certain claims made against them by reason of such persons being a director or officer, and (2) insures the Registrant against loss which it may be required or permitted to pay as indemnification due such persons for certain claims. Such insurance may provide coverage for certain matters as to which the Registrant may not be permitted by law to provide indemnification.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Kansas City, State of Missouri, on July 31, 2014.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as counsel to INTL FCStone Inc., a Delaware corporation (the "Company"). The Company has requested that we issue this letter in connection with the Company's filing of its registration statement on Form S-8 (the "Registration Statement") on or about the date hereof with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Act"), and regulations promulgated thereunder.

The Registration Statement relates to the registration under the Act of an aggregate 475,000 shares of the Company's common stock, \$0.01 par value (the "Common Shares"), to be issued pursuant to the International Assets Holding Corporation 2003 Stock Option Plan (the "Plan").

As the basis for the opinion hereinafter expressed, we have examined the Registration Statement, the Plan, the Restated Certificate of Incorporation of the Company, as amended, and the Bylaws of the Company, as amended. We also have examined the originals, or duplicates or certified or conformed copies, of such records, agreements, documents and other instruments and have made such other investigations, in each case, as we have deemed relevant and necessary in connection with the opinion expressed below. As to questions of fact material to the opinion expressed below, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Company.

In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. We have assumed the accuracy of all other information provided to us by the Company during the course of our investigations, on which we have relied in issuing the opinions expressed below.

Based upon the foregoing and subject to the limitations and assumptions set forth herein, we are of the opinion that if and when the Common Shares are issued, delivered and paid for accordance with the terms of the Plan such Common Shares will be validly issued, fully paid and non-assessable.

Our opinion is subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law), and (iii) an implied covenant of good faith and fair dealing.

The opinion expressed in this letter is limited in all respects to the Delaware General Corporation Law ("DGCL"), and expressly excludes federal law and state securities laws. The opinion expressed herein is limited to the effect of the current state of the DGCL and the facts as they currently exist. We assume no obligation to revise or supplement this letter in the event of future changes in such law or the interpretations thereof or such facts.

We hereby consent to the filing of this letter as an exhibit to the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Act or other rules and regulations of the Securities and Exchange Commission issued thereunder.

Respectfully submitted,

/s/ STINSON LEONARD STREET LLP

Consent of Independent Registered Public Accounting Firm

The Board of Directors
INTL FCStone Inc.:

We consent to the incorporation by reference in the registration statement on Form S-8 of INTL FCStone Inc. (the Company) of our reports dated January 15, 2014, with respect to the consolidated balance sheets of the Company as of September 30, 2013 and 2012, and the related consolidated statements of income, comprehensive income, cash flows, and stockholders' equity for each of the years in the three-year period ended September 30, 2013, and the related financial statement schedule, and the effectiveness of internal control over financial reporting as of September 30, 2013, which reports appear in the September 30, 2013 annual report on Form 10-K of the Company.

As discussed in note 2 to the consolidated financial statements, the Company restated its 2012 and 2011 consolidated financial statements to correct a misstatement.

Our report dated January 15, 2014, on the effectiveness of internal control over financial reporting as of September 30, 2013, expresses our opinion that the Company did not maintain effective internal control over financial reporting as of September 30, 2013 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states a material weakness related to the accurate and timely accounting for certain principal over-the-counter derivative trading activities has been identified and included in management's assessment.
