COMMON STOCK

This Prospectus Supplement No. 1 supplements and amends the Prospectus dated October 30, 2006 (as amended, the “Prospectus”), relating to the resale of our common stock from time to time by the selling stockholders named in the Prospectus. These shares include common stock issuable upon conversion of \$27.0 million in senior subordinated convertible notes which were issued in September 2006. The notes are initially convertible into 1,058,826 shares of common stock, based on a conversion price of \$25.50, which is subject to adjustment as the result of certain issuances of our common stock, or securities convertible into or exercisable for shares of common stock, below \$25.50 per share. Pursuant to a registration rights agreement entered into in connection with the issuance of the notes, we agreed to register for resale 130% of the shares issuable upon conversion of the notes, or initially 1,376,475 shares. The Prospectus will also be used by a selling stockholder named in the Prospectus to resell 45,612 shares currently held by such stockholder.
