 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01. Other Events

On March 2, 2007, Scott J. Branch, the Company's President, adopted a Rule 10b5-1 trading plan ("Plan") with a broker to sell up to 70,000 shares of the Company's common stock in conjunction with the exercises of 40,000 options. The Plan specifies the timing and market prices for the sales, subject to the terms and conditions of the Plan. Mr. Branch entered into the Plan as part of his personal long-term investment strategy for asset diversification and liquidity. Mr. Branch will have no control over the timing of the stock sales under the Plan. The Plan is scheduled to terminate on December 31, 2007.

The Plan is intended to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, and the Company's insider trading policy. Rule 10b5-1 allows corporate insiders to establish prearranged written stock trading plans. The 10b5-1 plan must be entered into in good faith at a time when the insider is not aware of material non-public information. Subsequent receipt by the insider of material non-public information will not prevent prearranged transactions under the 10b5-1 plan from being executed.

Signature(s)

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
