Disclaimer

“The following presentation should be taken in conjunction with the most recent financial statements and notes thereto as well as the most recent Form 10-Q filed with the SEC. This presentation may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements involve known and unknown risks and uncertainties, many of which are beyond our control, including adverse changes in economic, political and market conditions, losses from market-making and trading activities arising from counter-party failures and changes in market conditions, the possible loss of key personnel, the impact of increasing competition, the impact of changes in government regulation, the possibility of liabilities arising from violations of federal and state securities laws and the impact of changes in technology in the securities, foreign exchange and commodities dealing and trading industries. Although we believe that the forward-looking statements are based upon reasonable assumptions regarding our business, future market conditions, there can be no assurances that actual results will not differ materially from any results expressed or implied by the forward-looking statements. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Readers are cautioned that any forward-looking statements are not guarantees of future performance.”

Complementary International Footprint

Strategic Growth Plan

- ◆ **Disciplined capital allocation approach by protecting and compounding capital**
 - Robust risk management
- ◆ **No significant change in overall business strategy for either FCSX or INTL**
 - Offer value added services to build durable revenue streams and create franchise value over time
 - Broaden and deepen customer relationships globally
- ◆ **Current environment provides a significant opportunity for a credible, well capitalized entity to gain market share**
 - Larger financial institutions retreating to core activities while smaller competitors lack capital or pose counter party risk to customers
- ◆ **Focus on organic growth and opportunistic add-on acquisitions**
 - Leverage strengths of the merged platform by cross pollinating industry and domain expertise
 - Continue to build international footprint in Europe, South America, Asia and the Middle East
 - Consider financially attractive small “tuck in” acquisitions that add immediate value to the platform
