

Global Commodity Issues Take Center Stage at INTL FCStone's 2012 Asia-Pacific Outlook Conference

MEDIA ALERT: Join Leading Commodities Experts in Singapore on February 22 and 23

NEW YORK, Jan. 4, 2012 (GLOBE NEWSWIRE) --

WHAT: INTL FCStone Inc. (Nasdaq:INTL) is presenting its 2012 Asia-Pacific Outlook Conference to help investors, producers, processors and end users of commodities foresee global supply and demand issues and, in the process, help them prepare for and protect against the risks of price fluctuations in a time of increasing uncertainty about global commodity supplies.

WHEN: February 22 and 23, 2012.

WHERE: Singapore Grand Hyatt, 10 Scotts Road, Singapore, Republic of Singapore 228211

WHY: This important event will feature economists, analysts, traders and brokers presenting their insight into global and Asia-Pacific economies.

Speakers will cover the supply-demand outlook for key agricultural commodities including wheat, palm oil, vegetable oil, sugar, dairy, coffee and cotton; base and precious metals; energy products including petroleum and natural gas; and raw materials. This conference will also cover new exchange traded and OTC products; investment banking opportunities; and regulatory developments in the U.S., Europe and Asia-Pacific Region.

For more information on the conference, and a complete list of speakers and topics, please visit <http://www.intlfcstone.com/seminars/outlook/Pages/SingaporeOutlook.aspx>. Persons interested in attending the event can contact Erin Olson at erin.olson@intlfcstone.com. Members of the media can attend all daytime sessions of the conference at no charge.
